4000 Student Policy Manual

4100 History of the School

Greater Beckley Christian School of Prosperity, WV was founded in 1973 as a ministry of Prosperity Fundamental Baptist Church (now Faith Baptist Church) for the purpose of providing college preparatory education with high academic standards using subject matter taught from a Biblical perspective. Greater Beckley Christian School opened with thirty-nine students in kindergarten through grade three.

During the past five years the student body has averaged 244 students in grades K-12. Pre-school students compromise approximately 15% of the student body and attend classes in the lower level of Faith Baptist Church. Elementary (Kindergarten-5th grades) students comprise approximately 35% of the student body and attend classes on the upper campus of the school—separate from the middle and high school campus.

Since 1983, the year of the first graduating class, 519 students have graduated from GBCS. The state of West Virginia began offering the Promise scholarship to graduating seniors in the spring of 2003. Since that time over one-third of Greater Beckley seniors have qualified for this scholarship.

Greater Beckley is fully accredited with the Association of Christian Schools International (ACSI). GBCS continually strives to provide an atmosphere in which students can grow spiritually while at the same time acquire an education of academic excellence founded upon a strong, Biblically based, college readiness curriculum.

4200 Vision Statement

Dedicated to equipping children to lead Christ-centered lives, Greater Beckley Christian School supports parents in their God-given responsibility of educating children by striving to provide quality spiritual, academic, personal, and social instruction in the light of God’s Word.

4300 Mission Statement

The mission of Greater Beckley Christian School is one of preparing children to live a productive life for the Lord Jesus Christ. While most graduates of Greater Beckley Christian School will choose to continue their education beyond high school, the focus of the curricular and instructional systems will be one of helping each child to grow, both spiritually and academically. Admissions policies will reflect what the school is able to do for those children admitted. Attention will be given the following three areas:

4310 Edification

Greater Beckley Christian School is dedicated to the edification of children in accordance with Ephesians 4:12 “For the perfecting (equipping) of the saints for the work of the ministry...” Therefore, attention will be given to spiritual growth and development, equipping children to live a life of obedience to the Lord Jesus Christ. Every effort will be made to develop within children a spiritual knowledge base for making wise decisions about life and to develop both the spiritual and natural gifts of each child to a level appropriate for high school graduates.

4320 Education

Greater Beckley Christian School is dedicated to the education of children in accordance with the broad areas of development stated in Luke 2:52, "And Jesus increased in wisdom and stature, and in favour with God and man." Therefore, attention will be given to the mental, physical, and social growth of children. The primary purpose of the academic program is to prepare students for some form of education beyond high school, perhaps Christian education, liberal arts education, or vocational education. Those choosing not to continue education beyond high school will be advanced academically for functioning as an adjusted and productive citizen.

4330 Evangelization

Greater Beckley Christian School is dedicated to the evangelization of those children who may not be saved. This is especially true within the elementary school which will include a number of children who have not yet received the Lord Jesus Christ as personal Savior. However, evangelization will be carried out by teachers and mature students on a one-to-one basis. Evangelization, while very important and not to be minimized, will be secondary to the mission to edify and educate children as stated above.

It is the purpose of Greater Beckley Christian School to provide a quality academic education emanating from a Christian view of God and the world, and presenting all truth as God's truth. We desire to provide a warm spiritual atmosphere where students see biblical values modeled. Each student will be challenged to live a life in fellowship with God through Jesus Christ in the power of the Holy Spirit, and a life of service and witness to men.

We believe that the education of children is the God-given responsibility of parents, and that the school is to function as an extension of the home to meet this obligation. Realizing the difference in innate abilities in children, we encourage and expect each child to do his best.

4600 Core Values

4610 The Word of God

The Bible needs to be first and foremost in the educational process. It is the only thing on this earth that will last for eternity. Our children need to be taught its principles and precepts in order to truly be prepared to live a successful Christian life. We need to teach our children that the Bible can be trusted. It has the answers to the pressures they face daily (2 Peter 1:3). It is a "lamp unto my feet and a light unto my path" (Psalm 119:105).

4620 The Family

We are dedicated to helping the family fulfill their biblical responsibility of raising their children in the nurture and admonition of the Lord (Ephesians 6:4). We cannot replace the parents, but we want to partner with you them to enable them to accomplish this most important task. We hope to incorporate avenues by which they can be directly involved in the education of their child. We desire that the educational process at GBCS will be a ministry of encouragement to our families.

4630 The Church

We believe that the church is the primary institution through which God wants to accomplish His work today. GBCS is a ministry of the local church. We do not replace the local church and we will not work

outside the authority of the local church. Our desire is to be available to all the local churches in the greater Beckley area to assist them in providing a quality Christian education for their children. Therefore, it is vital for us to have the prayerful support of all the local churches represented in our student body.

4640 Christian Education

We are in a spiritual battle for the minds, hearts and souls of our children. The world is trying to press our children into the mold of postmodernism, humanism, materialism, and every other kind of ungodly philosophy out there. The only way to be victorious in this spiritual battle is through the Word of God. We must teach our children a consistent biblical worldview that impacts every area of life. English, math, science, and every other subject is ultimately an illustration of God's handiwork in the creation of our universe. ONLY Christian education can provide a proper biblical worldview. We commit with our families to provide this kind of quality Christian education to their children.

4700 Nondiscriminatory Policy

Greater Beckley Christian School does not discriminate on the basis of race, color, national and ethnic origin in the administration of its admission policies, educational policies, scholarship and loan programs, athletic and other administered programs and admits qualified students to all the rights, privileges, programs and activities generally accorded or made available to students at school subject to and in conformity with the school religious beliefs and practices as embodied in its rules and regulations.

4800 Admission

The admissions process consists of a written application, an interview with the parent and student, and the submission of transcripts of records from any previous schools, a copy of the state-certified birth certificate, and up to date immunization records. Based upon these factors, placement testing may also be required. Final placement may be dependent on the results of testing. A student enrolled after the new school term will be placed on Academic Probation (AP) for at least the first grading period. Students who have lower than a 2.0 or who have failed any class at the end of a grading period will also be placed on AP for the next grading period. Students on AP will be encouraged to attend tutoring sessions at least once a week in the subject area(s) of greatest need and must meet with the administration every other week to evaluate progress. Lack of progress will be noted; documentation will be valuable to determine if a student is permitted to continue at GBCS.

All students are encouraged to attend services at a local church on a regular basis. New students in grades nine through twelve must be a professing born-again Christian.

All students enrolled at GBCS must maintain a consistent Biblical testimony on and off campus. As students of GBCS, all are responsible for their behavior 24 – 7 – 365 days a year, marked by abstinence from activities including but not limited to the following:

- a. sexual immorality

- c. homosexuality/perceived gender identity
- d. improper use of e-mail/social networking/cell phones (i.e. sexting)

All students must be under the authority of and living with a parent or legal guardian.

No married or previously married students will be accepted for enrollment. Students who marry will be dismissed from Greater Beckley Christian School.

A student who does not want to attend GBCS or who will not abide by the rules of conduct with a gracious spirit will not be allowed to continue at GBCS. Parents are to agree and operate with the school's overall purpose and program. Attendance at Greater Beckley Christian Schools is a privilege that may be forfeited by any student who does not conform to the standards and regulations of the school.

Greater Beckley Christian School does not discriminate on the basis of race, ethnicity, or national origin.

4810 Home School Transfers

Students applying for admission from home school settings in the elementary school will be tested for placement. Students applying for admission from home school settings in the middle and high school must provide appropriate documentation of progress in all courses. 4922 Partners In Education

In order to assure continued academic excellence, the school must stay current with advancing technologies and other curriculum enhancements. As a private educational institution, Greater Beckley receives no state, federal, or other taxpayer funded support. The school relies entirely on tuition and gifts to meet budget needs each year. Tuition funding alone does not meet the need to provide the necessary resources for our students.

The Greater Beckley Christian School Partners in Education Program has been designed to allow area businesses and individuals the opportunity to support quality Christian Education for our area's youth. Consider becoming a Partner in Education with Greater Beckley Christian School and make a difference in the lives of young people today, tomorrow, and for eternity. Details are available at the high school office.

4923 Financial Aid Service

GBCS provides a limited amount of need-based financial assistance to families. Applications are available in the school office.

41000 Academic Information

41010 Add/Drop Policy

High School Students may add or drop a class from their schedules within one week from the start of each semester. Any changes after one week must be approved by special consideration of the administration. A \$25 fee will be charged for any on-line elective class that is dropped.

41020 Awards

We encourage students to do their best in all things in order that they may bring honor to the Lord. We desire to recognize those students who excel in outstanding Christian character, academic achievement, and extra-curricular activities. For this purpose, we plan a special awards ceremony at the end of each school year. The time for this ceremony will be announced each year.

41030 Bible Instruction

We realize that our school has students from a variety of church backgrounds. Whenever this is the case, there are some differences on doctrinal questions; however, we support the doctrinal statement of Faith Baptist Church of Prosperity, West Virginia. This doctrinal statement is available in the appendix of this publication and at www.wvfbc.org. All students, therefore, should learn the answer to biblical questions as the teachers present them in the classroom. When students do not agree with this answer, they may respectfully state their beliefs after giving the correct answer from the school's point of view. Discussion of an argumentative nature over biblical issues will not be tolerated in any class.

In grades 9 through 12, any student who fails a year in Bible class will be placed on probation at GBCS; each student is expected to bring a Bible to school daily or leave one at school.

Bible is one of the major areas of the school curriculum. Students are assigned Bible verses to memorize. We ask that parents stress to their students the importance of Bible instruction.

41040 Computer Lab Regulations

The GBCS computer lab is available to students for completion of school assignments and class projects. The use of the Internet must be in support of education and consistent with the mission statement and educational philosophy of GBCS. Use of the internet as part of an education program is a privilege, not a right, and inappropriate use will result in cancellation of those privileges. School computers may not be used for personal e-mail or chat rooms. Students must have written permission from a faculty member in order to be in the computer lab when a teacher is not present.

Normal reasons for absences are: illness of student, death in immediate family [up to three days excused], doctor or dental appointment when absolutely necessary, and absences for other reasons pre-arranged with the administration.

(Special consideration may be given by the teacher or administration when unusual circumstances exist.)

A student will be allowed 5 unexcused absences with no penalty. After five unexcused absences, a mandatory meeting will be scheduled with the administration to determine if continued attendance will be allowed at GBCS. After 10 unexcused absences, parents are reported to the Raleigh County truant officer per WV Code §18-8-4.

A secondary student who misses more than 15 days per class will not receive credit for that class. If the student has missed more than 15 days because of unusual circumstances, an appeal may be made to the administrator.

41210 ***Tardy Policy***

Students are expected to arrive for school and for class on time. The school will be open 30 minutes before classes are to begin. Students who arrive late will receive a tardy offense from the appropriate class room teacher. In the secondary school, every unexcused tardy after five recorded offenses will result in the student remaining 30 minutes after school on that day. Failure to remain for 30 minutes after school will result in an in-school suspension the day following the offense.

15 unexcused tardies within one grading period will result in an **out of school suspension** with **e-learning assignments required**. Failure to complete the e-learning assignments will result in a **0** for the assignment(s).

Additional out of school suspensions* will be required for every 5 additional tardies within the grading period beyond the initial 15.

Tardy counts will reset each grading period. However, any suspensions earned due to excessive tardies will not reset and will accumulate for the entire year.

*7 suspensions lead to expulsion from GBCS.

41300 Discipline

41310 Philosophy of Discipline

One of the objectives of Greater Beckley Christian School is to help students learn self-discipline. This quality is developed as the student learns to submit to proper authority and to control his behavior for the good of the group and in order to achieve his goals. In addition, it is impossible to provide a safe, orderly place for students to learn without a certain amount of structure. For all these reasons, there is the expectation of support from parents and the cooperation of our students with the requirements. Each teacher is trained to handle classroom discipline. Students are always to address and reply to the teacher with the utmost respect. Members of the faculty and staff of GBCS are to be addressed always as Mr., Mrs., or Miss. Persistent or serious misbehavior is referred to the administrator.

Elementary School Discipline System – The self-contained elementary classroom teachers devise their own unique discipline systems approved by the administration.

41311 Middle/High School Discipline System

10th detention – Conference with administrator and parents, 2 day suspension

7th day of suspension – expulsion from school

When instances of serious moral misconduct become known to the board, the parties involved shall be confronted immediately with discretion. In doing so, the school is responsible for its testimony of the Lord Jesus Christ as viewed by nonbelievers and the treatment of serious moral misconduct as viewed by other students. The school is also responsible to set and maintain standards on behalf of the parents.

The parties involved may be expelled. The duration of the expulsion shall not be less than one full semester following the semester in which the expulsion took place, and no student shall be considered for re-admission until genuine repentance has taken place.

Conditions for Readmission:

1. Moral misconduct is no longer practiced.
2. Genuine repentance has been demonstrated.
3. Parents have submitted their student to Christian counseling and/or the local church for discipline
4. Any other condition may be applied that the Board of Directors may deem appropriate for the particular case.

For the sake of the testimony of the school and rumor mill, Administration may share with the student body the discipline decisions. This would only be done to help students understand actions of those involved and response from school.

41313 Disciplinary Definitions

1. Cheating-Taking information from some source other than the student's own mind and presenting it as if it came from his/her own thinking. It involves the components of stealing and lying. The following are major categories of cheating as defined by Greater Beckley Christian School policies:

This would include the use of information brought to class, sharing of information during class, or the sharing of information about the test/exam with students who have not yet taken the test/exam.
 - c. Plagiarism-The use of information from a source (text, Internet, research information) without documentation. Plagiarism of reports is considered cheating and will be treated as such.

* Students guilty of cheating will not receive credit for assignment(s) or test(s).
2. Class Disruption-Any act whereby the student causes commotion, distraction, and or interrupts the teacher or classroom atmosphere to the extent that the learning process of other students is hampered.

41315 Clarification

As students of GBCS, all are responsible for their behavior 24 – 7 – 365 days a year and in keeping with the school’s responsibility to provide a safe learning environment for all students, the administration has established the following policy regarding the issue of “sexting.” Sexting is the act of sending, receiving, or forwarding sexually explicit or suggestive messages, photos, or images via cell phone, computer, or other digital device. Students engaged in such activities are subject to state laws and school discipline. The school considers sending, sharing, possessing, or even viewing pictures, text messages, or e-mails that contain a sexual message or image a violation of this policy, a violation that will result in school discipline, up to and including expulsion, and in the notification of local law enforcement. Students are required to immediately report any such activities to a teacher or a school administrator. In the case of sexting, besides the devastating affects this type of public disclosure can cause, it is possible and increasingly likely that students possessing or distributing sexual images of minors can be tried and convicted of sex crimes under state law.

41320 Anti-Bullying Policy

PURPOSE

Greater Beckley Christian School recognizes that a safe and civil environment in school is necessary for students to learn and achieve high academic standards. GBCS finds that bullying, like other disruptive or violent behavior, is conduct that disrupts both a student’s ability to learn and a school’s ability to educate its students in a safe environment.

DEFINITIONS

“Bullying” means systematic, repeated, or recurrent conduct committed by a student or group of students against another student that causes measurable physical harm or emotional distress. Verbal expression, whether oral, written, or electronic, is included within the definition of “bullying” only to the extent that (1) such expression is lewd, indecent, obscene, advocating for illegal conduct, intended to incite an immediate breach of peace, or the severe and pervasive use of threatening words that inflict injury; or (2) school administrators or officials reasonably believe that such expression will cause an actual, material disruption of school work.

“School Premises” means any building, structure, athletic field, sports stadium or other real property owned, operated, leased or rented by the school or one of its schools, including, but not limited to, any kindergarten, elementary, secondary, or vocational-technical school.

“School-Sponsored Functions or Activities” means a field trip, sporting event, or any other function or activity that is officially sponsored by GBCS or one of its schools.

“School-Sponsored Transportation” means a motor vehicle owned, operated, leased, rented or subcontracted by the GBCS or one of its schools.

PROHIBITION

GBCS prohibits all bullying on school premises, at school-sponsored functions or activities, or on school-sponsored transportation.

REPORTING

Any student who believes he or she has been or is currently the victim of bullying should immediately report the situation to the school principal or assistant principal. The student may also report concerns to a teacher or counselor who will be responsible for notifying the appropriate school administrator.

Every student is encouraged, and every staff member is required, to report any situation that they believe to be bullying behavior directed toward a student. Reports may be made to those identified above.

All complaints about bullying behavior that may violate this policy shall be promptly investigated.

If the investigation finds an instance of bullying behavior has occurred, it will result in prompt and appropriate disciplinary action. This may include up to expulsion. Individuals may also be referred to law enforcement officials.

The complainant shall be notified of the findings of the investigation, and as appropriate, that remedial action has been taken.

Retaliation against any person who reports, is thought to have reported, files a complaint, or otherwise participates in an investigation or inquiry concerning allegations of bullying is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of school policy and independent of whether a complaint is substantiated. Suspected retaliation should be reported in the same manner as bullying. Making intentionally false reports about bullying for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Retaliation and intentionally false reports may result in disciplinary action as indicated above.

INTERPRETATION

This policy shall not be interpreted to infringe upon the First Amendment rights of students, and is not intended to prohibit expression of religious, philosophical, or political views, provided that such expression does not cause an actual, material disruption of the work of the school.

41400 Lifestyle/Testimony

41410 Social Networking

As students of GBCS, all are responsible for their behavior 24 – 7 – 365 days a year, Greater Beckley Christian School realizes that social networking sites and blogs are popular and that they present opportunity to share with others in a positive way. However, abuses can occur. Therefore, all internet communications are subject to the school's internet and computer-use policy. All students are expected to reflect a positive Christian testimony. The school's policies against discrimination or other harassment apply to any Internet communications. Therefore, any Internet communications that adversely reflect on the students' or school's Christian testimony, that disparage the school or other students or officials, or that violate the school's antidiscrimination/anti-harassment policies may result in requests to remove the communications and in student discipline, including possible expulsion. The

school shall hold students personally responsible for all material they post or blog on a website or for content posted by third parties to students' social-networking or blog pages.

41420 Drugs and Alcohol

As students of GBCS, all are responsible for their behavior 24 – 7 – 365 days a year, the use of alcohol or drugs while enrolled at GBCS, participating in any academic, extra-curricular, or social program sponsored by GBCS is strictly forbidden. Use of such controlled substances is not only illegal but has been proven to be particularly damaging to changing adolescent bodies. Because our school philosophy pledges a responsibility to the whole person, our drug policy must include opportunities for drug awareness education and rehabilitation as well as punitive measures for students who break this civil and school rule. If expelled for drugs and/or alcohol use, students will not be readmitted to Greater Beckley Christian School without proper drug testing.

41430 Harassment and Threats

As students of GBCS, all are responsible for their behavior 24 – 7 – 365 days a year, Greater Beckley Christian School does not allow harassment or threats of any kind. Such behavior is subject to penalty. Students are to report harassment and threats to the administration or to a teacher immediately.

41440 Physical Contact

As students of GBCS, all are responsible for their behavior 24 – 7 – 365 days a year, inappropriate public displays of affection between students are not permitted on school property or at school functions. This includes holding hands, hugging, kissing, or unnecessary physical contact of any kind.

41450 Sexual Harassment

As students of GBCS, all are responsible for their behavior 24 – 7 – 365 days a year, it is the policy of Greater Beckley Christian School to maintain a Christian academic, athletic, social, and working environment free from all forms of physical or verbal sexual harassment for any student or staff member. Sexual harassment violates school policy, the West Virginia Human Rights Act, the Office of Civil Rights Policy Title IX, and Section 703 of Title VII of the Civil Rights Act of 1964. This policy applies to all students, staff, and agents of Greater Beckley Christian School.

41460 Student Pregnancy

GBCS will not admit students who are married, pregnant, or who have caused a pregnancy (or an abortion). Should any of these events occur while enrolled at GBCS, the student shall be removed from classes immediately. Under some circumstances and strict conditions, a student who has been removed from GBCS under the provisions of this policy may apply for readmission to GBCS.

41470 Smoking and Tobacco Policy

As students of GBCS, all are responsible for their behavior 24 – 7 – 365 days a year, GBCS continues to place importance upon the health of its students. Students are not to use any form of tobacco including but not limited to chewing tobacco, cigarettes, cigars, pipes, e-cigarettes, or any battery-operated device to inhale an aerosol, flavoring, marijuana, or other chemicals while a student at GBCS. Possession of these substances is in violation of state law and may be referred to local authorities. Use and possession are viewed as being the same.

41480 Tardiness/Absences

Punctuality is a matter of primary importance in the educational process. Students, when tardy, disrupt the educational process and jeopardize their own academic achievement. GBCS students must be in the classroom when the tardy bell rings.

1. A student is considered tardy when he/she reaches the assigned classroom after the first bell.
2. If students are tardy due to a doctor's / dentist appointment, the student must check in with the office, present a valid excuse from the appropriate physician's office, and receive an admit slip from the office.
3. A student will be counted absent if more than one-half of the class period is missed.
4. Students, unless given permission from the administration, must attend school to participate in any extracurricular activity.

41490 Weapons

Any instrument that is designed to be used to produce bodily injury shall not be brought onto the property of the school. Nor shall any such instruments be brought onto any premise where school functions are being conducted. Deadly weapons shall include but not be limited to those instruments defined in West Virginia Code, Chapter 61, Article 7, Section 2, as a blackjack, gravity knife, knife, switchblade knife, nunchaku, metallic or false knuckles, taser, pistol, revolver, or other deadly weapon of the like kind or character which may be easily concealed on or about the person or any other type of firearm of any type or description.

Students who bring weapons as defined above are subject to immediate suspension and/or expulsion.

41500 Parent Information

41510 After School Care

If available, after school care is provided at an hourly rate. This care begins fifteen minutes after the regular school day and is billed in 15-minute increments. The program ends at 5:00 P.M.

Students must remain in school dress and follow all school standards until picked up by parents. Secondary students may not be permitted to leave aftercare, such as for sports practices, without written permission from a parent.

41520 Helping Hands and Willing Hearts

GBCS considers our parent volunteers to be a very special and valuable resource. Parents who would like to volunteer should call the school office. The school secretary will then direct you to the current Helping Hands Coordinator. This volunteer group organizes numerous activities throughout the school year.

41530 Parent Meetings

This very important meeting is held for all parents prior to the beginning of the school year. This is the time to receive helpful, necessary information from administrators and teachers pertaining to the new school year.
2. Parent-Teacher Meetings

Parent-teacher meetings are scheduled on an individual basis by either parents or teachers as deemed necessary. Parents wishing to schedule a conference may contact the school office or email the teacher directly. A priority is placed on being available to parents to answer any questions or concerns about their child's progress.

41540 Parental Support

Parents are urged to contact the teacher if they have any questions or concerns regarding their child's academic progress.

41550 Problem Solving

Greater Beckley Christian School follows the principles of Matthew 18:15-17 in resolving conflicts regarding the school.

1. The parent or student may schedule a conference with a teacher, or the teacher may initiate a conference with the student and/or parent. Most problems will be resolved at this stage if approached prayerfully with the goal of reconciliation.
2. If the problem has not been resolved, then either party may request that the administrator meet with all involved.
3. Parents may request that the GBCS Board appoint a representative to hear all sides and attempt to achieve reconciliation.
4. Finally, the parents or teacher may request a hearing by the entire Board.

41560 Signing Students out of School

1. Students leaving the campus for any reason during the school day must be signed out of the office by a parent or legal guardian in the presence of a school employee. To receive an excused absence proper documentation must be submitted to the school office.
2. If a student drives to school, the parent must establish phone contact with a member of the office staff verifying permission for the student to leave campus. Students may be required to speak with the Principal or provide parent permission before a student may sign out.
3. Detailed records for students will be kept in the office regarding signing in and out of school.
4. Students too young to drive will not be released to anyone other than the student's parent(s), older sibling that drives, or legal guardian except in extreme cases where the Administration has made an exception unless otherwise designated by a parent.

41650 Drop-off / Pick-up

1. Morning Drop-off

Parents will be given specific instructions regarding loading and unloading of students before and after school. Everyone must follow the designated procedure if accidents are to be avoided. It is imperative that students be dropped off and picked up at the specified times to provide the highest level of safety. The speed limit in the school zone is 15 miles per hour. Please cooperate with this safety standard.

Students can be dropped off beginning at 7:30 A.M. for elementary students and 7:40 A.M. for secondary students. GBCS desires to maintain a healthful school environment by instituting controls designed to prevent the spread of communicable diseases. The term “communicable disease” shall mean an illness that arises as a result of a specific infectious agent or rash that shall be transmitted whether directly or indirectly by a susceptible host, infected person or animal to other persons. A teacher or office staff member who reasonably suspects that a student or employee has a communicable disease shall immediately notify a member of the administration.

Any student or employee with a communicable disease, for which immunization is required by law or is available, shall be temporarily excluded from school while ill. If the nature of the disease and circumstances warrant, Greater Beckley Christian School may require an independent physician’s examination of the student or employee to verify the diagnosis of a communicable disease. GBCS reserves the right to make all final decisions necessary to enforce its communicable disease policy and to take all necessary action to control the spread of communicable diseases within the school.

41670 Head Lice Policy

If lice or nits are found, the student will be isolated, and parents will be notified to pick up their child as soon as possible. Students need to be treated with medication and be lice/ nit free before they will be allowed to return to the classroom. Parents are encouraged to always give notice to the school in the event that they find head lice or nits on their child at home. This will help prevent the spread of head lice at school.

41680 Illness at School

We do not have facilities to take care of children who are ill. If your child becomes ill while at school, we will contact you so that you may make arrangements to come and take your child home.

Applicable rules for student conduct are in effect at extra-curricular activities because, as Christians, we are expected to be ambassadors of Jesus Christ at all times. Each year, as part of the overall program of the school, students may take planned field trips that are part of the educational experience for each student. In certain cases, students are responsible for fees that cover admission to events. Students may also be asked to bring money for their own snacks or personal souvenirs. Students are required to remain within school dress code and adhere to school policies unless otherwise noted by field trip organizers. Parents will be notified when field trips are planned. Included in this notification will be information regarding appropriate dress for the trip.

416120 ***Fire Drills***

Fire drills and other safety drills are conducted each year in accordance with the regulations of the State Fire Marshall. Exit routes are clearly posted in each classroom. Teachers will advise students of the exit procedures for each room. Students are to exit the building in an orderly manner and remain quiet for the purpose of taking attendance. This is necessary to ensure that students and teachers can hear further instructions and directions in the event of a fire or other emergency.

416150 *Homework Notebooks/Planners*

Students of GBCS are required to use a homework notebook/planner in grades three through five. In addition to providing a method for keeping track of daily assignments, this planner will also assist the student in organizing his/her monthly schedule. Notebooks or planners are recommended for students in grades six through twelve.

416160 *Inclement Weather*

GBCS will follow school closings with Raleigh County Schools for inclement weather. School closings and delays are posted with the following stations: WOAY-TV, WVVA-TV, and WJLS-560AM (radio) or may be accessed through a link posted on the Greater Beckley website at www.greaterbeckley.com.

In the event of a school closing, students are required to complete e-learning assignment(s). Failure to complete e-learning assignment(s) the day of the closing will result in a 0 for the assignment(s) unless otherwise instructed by the teacher.

416170 *Internet Use Policy*

We are privileged at Greater Beckley Christian School to have Internet access for our students. Students may have access to Internet Web information resources through their classroom, library, or school computer lab.

With access to computers and people all over the world comes the availability of materials that may not be considered to be of appropriate educational value in the context of the school setting. Because no one organization owns the Internet and can enforce regulations, resources are uncensored. Families should be aware that some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. In addition, it is possible to purchase certain goods and services via the Internet that could result in unwanted financial obligations for which a student's parent or guardian would be liable. GBCS has taken precautions to restrict access to controversial materials via filtering hardware and software. However, on a global network it is impossible to control all materials and an industrious user may discover controversial information. We believe that the valuable information and interaction available on this network outweigh the potential hazards. GBCS expects that in addition to the filtering protection placed in the system that users, as Christians, will be vigilant to withdraw themselves from any questionable sites that might be encountered while interacting with the Internet.

Policies:

- ❑ Currently enrolled students may use the computers for completing class assignments, projects, and research. Users who have specified academically related search needs have priority over those browsing the system.
- ❑ School computers may only be used during school hours, with staff or teacher permission.
- ❑ Students should do nothing while using GBCS computers or the Internet to dishonor the name of Christ.
- ❑ Should a student accidentally open a questionable site, they will immediately turn off the computer monitor and report the site to his/her supervising teacher.
- ❑ Students should not reveal personal addresses, phone numbers or personal information about themselves or other students, teachers, or staff.

GBCS Computers/Internet may not be used for:

- ❑ E-mailing, chatting, game-playing or other recreational purposes (exceptions are for activities in the classroom setting with teacher supervision and permission)
- ❑ Downloading files or programs. Teachers or staff may arrange to download files for students on a case-by-case basis.
- ❑ Transmission of any material in violation of any US or state regulation. This includes, but is not limited to copyrighted material, threatening or obscene material, or material protected by trade secret. Accordingly, copyrighted music may not be uploaded or downloaded.
- ❑ Commercial activities of any kind.
- ❑ Product advertisement or political lobbying
- ❑ Purposely seeking any Internet site promoting pornography, violence, hate, homosexuality, gambling, harassment or any entertainment sites concerning people or activities pertaining to these things.
- ❑ Using offensive or abusive language. Users are not allowed to post information with racial, ethnic, or religious slur. There is nothing anonymous about the Internet, and your actions will be a reflection on our school.
- ❑ Tampering, pranks, vandalism, adding software, attempting to break into unauthorized files, or attempting to use network in a way that would disrupt network use by others.

Infractions of the above will result in disciplinary action, to include parental notification, loss of computing privileges, detention, suspension, or expulsion depending on the severity of the violation.

Students will be charged a nominal fee for photocopies or prints made on school copiers or printers.

GBCS makes no warranties of any kind, whether expressed or implied, for the service it is providing. Our school will not be responsible for any damages students incur. This includes loss of data resulting from delays, non-deliveries, mis-deliveries, or service interruptions caused by its own negligence or student errors or omissions. Use of any information obtained via Greater Beckley Christian School is at the user's own risk. GBCS specifically denies any responsibility for the accuracy or quality of information obtained through its services.

416180 *Evacuation Plans*

Teachers have been trained concerning evaluation plans in the case of emergencies in accordance with the GBCS Emergency and Evacuation Policy Manual. The manual is available for viewing in the secondary office.

416190 Lockers/Locks

Students will be permitted to go to their lockers before their first class, at scheduled times, and after school. If it is necessary to visit a locker at other times, a teacher's permission is necessary.

Locker doors should always be kept closed. Inappropriate pictures may not be hung in lockers; only school-approved materials may be placed on the outside of lockers. Food and drinks may not be kept in lockers except for that which will be consumed at lunch. Lockers may be inspected by school personnel at any time. A second locker may not be used without express permission from the student's homeroom teacher.

Combination locks may be obtained from the school office. Only these locks may be used on school lockers. Large sums of money and other valuables should not be brought to school. The school is not responsible for missing items.

416200 Student Accident Insurance

All students enrolled at GBCS are covered by student accident insurance provided by the school.

416210 Lost and Found

A Lost and Found area will be designated at the beginning of the school year. Any unclaimed items will be donated to local charities. Students will be notified at least one week prior to the donation of these items.

416220 Lunch

Students must remain on campus for lunch unless a parent signs them out. Students will not be permitted to order lunch from outside sources to be delivered to the school. Students may order lunch daily from the school lunch program or bring their lunch from home. Hot lunches may be ordered on FACTS prior to the school day or may be ordered at the beginning of the school day during the first period class.

416230 Personal Belongings

Students are not permitted to use electronic devices, and/or cell phones during regular school hours without specific permission of the administration or teachers. Students are not permitted to have laser pointers at any time. Only items relevant to the educational process should be brought to school.

416240 Retreats/Field Days

High School and Middle School Retreats/Field Days are a special time in the lives of students to reflect on their relationship with God and build relationships with each other. During this time, students focus on the central values and doctrinal beliefs of our school. For this reason, all students are required to attend scheduled Retreats/Field Days unless special permission is given by the administration prior to the event.

416250 Student Drivers

Those students driving to school are to park their vehicles in a designated space in the lot adjacent to the gymnasium. Drivers are not to exceed the posted speed limit of 15 miles per hour. Student Drivers are to understand that their driving privileges may be revoked if they do not adhere to the policies stated in the said contract.

Students are not to return to their cars during school hours. Students must leave cars parked from the beginning of the school day until they are dismissed unless an Administration or faculty member grants special permission. All requests for permission to leave early must be in writing and signed by the parent of the student driving the car. Permission slips will be turned in to the office before classes begin in the morning.

If a student driver transports other GBCS students to and from school, the parents of the transported student must have on file in the school office written permission for their child to ride with a given student. The parents of the student driving the vehicle must also file written permission for their child to transport others. Failure to abide by these policies may result in loss of driving privilege.

416260 *Student Pictures*

Each fall the school will hire an approved photographer to take individual pictures of our students. Parents will be sent information concerning prices and packages that they may purchase. Each individual student's picture will be used in the school yearbook as well as other school publications. Each student will have his/her picture taken regardless of whether they choose to purchase any picture.

416270 *Teacher Certification*

All of our teachers are nationally certified through the Association of Christian Schools International and/or the West Virginia Department of Education.

416280 *Transportation*

- Transportation- General Greater Beckley Christian School does not provide bus transportation to and from school. We encourage parents to form "car pools."
- Students Riding in GBCS Vehicles
Students may be transported to events, field trips or activities using GBCS vehicles. Improper behavior on school vehicles will not be permitted. Our drivers need to concentrate on driving and should not be distracted by misbehavior of students. Those students who, in the opinion of the driver, misbehave will be referred to the Administration for appropriate action.
- Emergency Notification Procedures
In case of emergency the following procedures will be implemented:
 1. Emergency personnel (911, police, fire department, etc.) will be contacted.
 2. The school administration will be contacted.
 3. Parents will be contacted with information and instructions.
- Vehicle Maintenance
All GBCS vehicles receive routine maintenance and safety inspections.

416290 *GBCS Website*

The school website www.greaterbeckley.com contains information relevant to school events. Elements such as school calendar, sports schedules, newsletter, as well as some specific class information can be accessed on the web. The site is continually updated in order to facilitate quality school to home communication.

41700 Changes

41710Changes

Administration and school board reserves the right to make changes to this policy handbook as deemed necessary.

41800 Appendix

41810 Doctrinal Statement

We believe:

1. The Scriptures are the inspired Word of God, inerrant and authoritative.
2. In the unity of the infinite Godhead there are three distinct persons (Father, Son and Holy Spirit) equal in every divine perfection.
3. In the personality of the Holy Spirit, who is the agent in the new birth indwelling every believer. The evidence of indwelling is in the fruit of the Spirit, and not in speaking in tongues or the spectacular demonstration.
4. Sanctification is a progressive work of the Holy Spirit in the life of the believer, as well as being initially set apart for a holy purpose at the moment of salvation.
5. In the reality of Satan, the enemy of God, who is man's greatest tempter, and who is destined for final defeat by God.
6. In a literal acceptance of the Genesis account of creation.
7. Man, created in innocence, fell into sin by voluntary transgression. All mankind are sinners by nature and choice and under just condemnation.
8. In the virgin birth of Christ who is both the Son of God and God the Son.
9. In the vicarious atonement by Christ, and that salvation of sinners is wholly by grace.
10. In the necessity of the new birth in order for sinners to be saved.
11. The blessings of salvation are made free to all through the gospel. Nothing prevents the salvation of sinners apart from their own inherent depravity and voluntary rejection of the Gospel.
12. Justification is secured for believers solely through faith in the Redeemer's blood; it is not bestowed in consideration of any works of righteousness.
13. Repentance and faith are inseparable in the conversion process.
14. The Church, the body of Christ, is composed of all who have expressed true faith in Christ. A local New Testament church is a congregation of baptized believers, observing the ordinances of Christ and carrying out His commands. It is scriptural for local assemblies of like faith to cooperate with each other to further the Gospel, and each church is the sole and only judge of the measure and method of its cooperation.
15. Baptism is by immersion in water, and the Lord's Supper is to be viewed as a memorial service reminding the church of the death of Christ.
16. Believers are kept by the power of God through faith unto eternal salvation.
17. In the everlasting felicity of the saved and the everlasting conscious suffering of the lost.
18. That civil government is ordained of God for the interests and good order of human society.
19. In the bodily resurrection, ascension, high priesthood, second coming and future reign of Christ. The living members of the Church will be changed in the rapture. The dead in Christ will be raised at the same event.

Note: This statement is a digest of the doctrinal statement of Faith Baptist Church, Prosperity, West Virginia. The full statement, including Scripture references, is available upon request from the school office.

41900 Final Authority for Matters of Belief and Conduct

The statement of faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of Greater Beckley Christian School's faith, doctrine, practice, policy, and discipline, the administration is the school's final interpretive authority on the Bible's meaning and application.

42000 Statement on Marriage, Gender and Sexuality

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God (Genesis 1:26-27). Rejection of one's biological sex is a rejection of the image of God within that person.

We believe that the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture (Genesis 2:18-25). We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other (1 Corinthians 6:18; 7:2-5; Hebrews 13:4). We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

We believe that any form of sexual immorality including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography, is sinful and offensive to God (Matthew 15:18-20; 1 Corinthians 6:9-10).

We believe that in order to preserve the function and integrity of Greater Beckley Christian School and the local Body of Christ, and to provide a biblical role model to the Association's members and the community, it is imperative that all persons employed by Greater Beckley Christian School in any capacity, or who serve as volunteers, agree to and abide by this Position Statement on Marriage, Gender, and Sexuality (Matthew 5:16; Philippians 2:14-16; 1 Thessalonians 5:22).

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ (Acts 3:19-21; Romans 10:9-10; 1 Corinthians 6:9-11).

We believe that every person must be afforded compassion, love, kindness, respect, and dignity (Mark 12:28-31; Luke 6:31). Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the doctrine of Greater Beckley Christian School.

42010 Physical Privacy and Sexuality Policy

In light of Greater Beckley Christian School's statement of faith and statement on marriage, gender, and sexuality, and in recognition of personal physical privacy rights and the need to ensure individual safety and maintain school discipline, this policy is enacted to advise members of the Greater Beckley Christian School community of their duties with regard to use of restrooms, locker rooms, and any other Greater Beckley Christian School facilities where individuals may be undressed in the presence of others.

Sex means the biological condition of being male or female as determined at birth.

Greater Beckley Christian School's sincerely held religious belief is that God wonderfully and immutably creates each person as either male or female, and that these two distinct, complementary sexes together reflect the image and nature of God (Genesis 1:26-27). Rejection of one's sex is a rejection of the image of God within that person.

Notwithstanding any other policy, Greater Beckley Christian School restrooms, locker rooms, and showers designated for one sex shall only be used by members of that sex. In any other Greater Beckley Christian School facilities or settings where members of the Greater Beckley Christian School community

may be undressed in the presence of others (e.g., changing costumes during school theatrical productions), Greater Beckley Christian School shall provide separate, private areas designated for use by members of the Greater Beckley Christian School community based on their sex.

Greater Beckley Christian School recognizes there may be instances where members of the Greater Beckley Christian School community experience disparity between their sex and their feelings and their sex. This disparity can motivate them to behave in ways contrary to God's Word and His plan for their lives. Greater Beckley Christian School encourages members of the Greater Beckley Christian School community who are struggling with their sexual identity to seek help from their pastor and other trained professionals who might best assist them in clarifying and defining their sexual identity in accordance with God's Word.

Greater Beckley Christian School will at all times interact with members of the Greater Beckley Christian School community according to their sex. A member of the school community who wishes to express a gender other than his or her sex is understood to be rejecting the truth and image of God within that person. Biblical Christianity requires the body of Christ to compassionately dwell in the truth and assist those we love in doing the same (Ephesians 4:15).

A member of the Greater Beckley Christian School community who openly and unrepentantly rejects his/her sex, either in or out of school, is rejecting the image of God within that person – behavior that dishonors the Holy Trinity and the word of God. Such behavior constitutes a person's failure to adhere to his/her commitment to abide by the behavioral standards established by Greater Beckley Christian School, which is cause for terminating his/her privilege of membership in the Greater Beckley Christian School community.

To preserve the function and integrity of Greater Beckley Christian School and to provide a biblical role model to members of the Greater Beckley Christian School community and the community-at-large, it is imperative that all members of the Greater Beckley Christian School community agree to abide by this policy.

Copies of this policy shall be provided to all Greater Beckley Christian School employees, volunteers, students, and parents.

42100 Position Statement on the Sanctity of Human Life

We believe that all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including pre-born babies, the aged, the physically or mentally challenged, and every other stage or condition from conception through natural death. We are therefore called to defend, protect, and value all human life (Psalm 139).
