Corporate Sponsor Program

Greater Beckley Christian School is excited to offer partnership with local businesses and corporations to enable us to fulfil our mission of providing "Quality Education in the light of God's Word". A corporate sponsor contributes a tax-deductible gift of $25,000 or more to help us further our mission.

We currently have a need for funding as we seek to expand our program by offering infant care alongside our preschool and a summer camp program for preschool and elementary aged children. These programs will be state certified and consequently will require furniture purchases, upgrades to our facilities, and training of new staff. The estimated startup cost for these programs will be approximately $60,000.

A corporate sponsor will receive advertising on our website, in our yearbook, as well as a sponsor sign prominently displayed in our gymnasium.

Thank you for partnering with us at Greater Beckley Christian School.
